To VIKTOR, [i]

Reference No. [C: 22]7[a]. KLARA [ii] passes us information from TERENTIJ [iii] under cover of being a journalist. She pays [for it out of] [b] our funds but is limited to the sum of Kr.100. The information mainly concerns Germany and is of great interest, but in most cases requires rechecking. TERENTIJ is connected with Finnish Intelligence but for the time being avoids talking about it. [4 groups unrecovered].

On 18th January 1944, JIMON [NKS], the American Press Attache, told KLARA that he considered it quite out of the question that the British had been meeting RIBBENTROP. "It would be more correct on the part of the Russians", he added, "to talk about meetings with German [B. generals] or industrialists. This would be [4 groups unrecovered] the special delegation."

On 19th January 1944 "MOUNTAIN" [COREY] [iv] informed KLARA that in the last few days [7 groups unrecovered].

Reference your 2/5[a]. The prices of metallurgical [2 groups unrecovered] are comparatively low and we are in a position to buy [4 groups unrecoverable] price. Please confirm the order and expedite the transfer of the money allocated for the first quarter as [b] we are having difficulties.
